Payment of Transportation in Cash, to Invalided Member of Force

Audit Office, Ottawa, May 30, 1922.

Sir,—Voucher No. 7799, paid by Financial Comptroller's cheque No. 1350, 1921-22, is for the payment of $58 to T. J. Ball, for $53 fare from Regina to Peterborough and $5 subsistence allowance, on his being invalided from the force, these payments being made, according to a notation on the voucher, under the authority of paragraphs 1055 and 1056 of the General Orders.

Paragraph 1055, which authorizes the granting of transport to invalided members of the force, contains the following clause: "It is to be understood that the transport will be effected by a railway transport requisition, and that under no circumstances can its equivalent cost in cash, either in whole or in part, be granted."

I have to ask why payment of the transport was made in cash to Mr. Hall, in face of the above regulation which, having been approved by the Governor in Council, has the effect of law.

The payment of the five dollars subsistence allowance is in direct accordance with paragraph 1056, and calls for no comment.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Commissioner Royal Canadian Mounted Police, Ottawa.

Royal Canadian Mounted Police, Ottawa, June 9, 1922.

Sir,—I have the honour to acknowledge receipt of your letter of the 30th ultimo, relative to voucher No. 7799, paid by Financial Comptroller's cheque No. 1350 (1921-22) for the payment of $58 to T. J. Ball, being transport and Subsistence Allowance on being invalided from the Force, which payment is contrary to paragraphs 1055 and 1056, Rules and Regulations, R.C.M. Police.

I enclose herewith, for your information, copy of General Orders issued by the Force for the week ending 10th July, 1920, embodying extracts from an Order in Council dated 30th June, 1920, and which General Orders include therein an amendment of paragraphs 1055 and 1056 of said Regulations.

Relative to paragraph 1055, it is to be noted that the term "may" is used, in view of which, upon the discharge of Constable Ball, the Officer Commanding was not quite clear, as to his authority in issuing transport requisition. Ex-Constable Ball after being discharged made application to be re-imbursed his transport expenses from Regina to Peterborough and under the circumstances this was granted.

It is my intention to prepare a report to Council to legalize this payment, which I hope will prove satisfactory to you.

I have the honour to be, sir, your obedient servant,

CORTLANDT STARNES, *Asst. Commissioner.*

Wm. Kearns, Asst. Auditor General, Ottawa.

Note.—An Order in Council was subsequently obtained, authorizing the payment in question.

WM. K., *Asst. A.G.*

Expenses of Members of Force Attending Field Day of Pennsylvania Police

AUDIT OFFICE, OTTAWA, July 7, 1922.

SIR,—Mounted Police voucher No. 13855 (Toronto Account No. 717) is for the amount of $342.20, being expenses incurred by Supt. Duffus and four other members of the force while attending the Field Day of the Pennsylvania Police, at Harrisburg, Pa., U.S.A.

I should like to know your reasons for considering expenditure of this nature a proper charge against the Mounted Police vote. The trip in question does not appear to have been directly connected with police duties, but appears to have been merely a friendly visit on the part of a few members of the force to the Pennsylvania Police Force, on the occasion of their Annual Field Day. I am of opinion that the expenses of a trip of this sort should only be allowed when the trip is considered to be in the best interests of the force, and that then it should be specifically authorized by the Governor in Council.

I am, sir, your obedient servant,

WM. KEARNS, *A.A.G.*

The Commissioner Royal Canadian Mounted Police, Ottawa.

ROYAL CANADIAN MOUNTED POLICE, OTTAWA, July 12, 1922.

SIR,—I beg to acknowledge receipt of your letter of the 7th inst., regarding Mounted Police voucher No. 13855 (Toronto Account No. 717) for the amount of $342.20, being expenses incurred by Supt. Duffus and four other members of the Force while attending the Field Day of the Pennsylvania Police, at Harrisburg, Pa., U.S.A.

In reply, I beg to state that an invitation was received from the Superintendent of the Department of State Police, Harrisburg, to the Commissioner and four members of the Royal Canadian Mounted Police, to attend a Tournament at Harrisburg, at which the Superintendents of all other State Police Forces were expected to be present, together with members of their organizations, as well as other notable people whom Governor Sproul may elect as his guests.

Superintendent Adams in his invitation stated that the expense of transportation and subsistence while in the State of Pennsylvania would be covered by the Pennsylvania State Police.

The matter was submitted by Commissioner Perry to the Honourable Mr. J. A. Calder, who was President of the Privy Council and the Minister controlling the Force at that time, the Commissioner stating that it would not be possible for him to go, but considered that it would be good policy for an Officer and four other ranks to be sent, and that as regards transportation expenses, he submitted that it would not be proper that we should accept their proposal to pay these expenses.

The Minister concurred in the policy of sending a detachment, and that the expenses should be paid from Police funds.

Superintendent Duffus and his men were entertained by the Governor and other State authorities, and they made a very good impression and established friendly relations with different State Police which may be useful in our work.

I have the honour to be, sir, your obedient servant,

CORTLANDT STARNES, *Asst. Commissioner.*

WM. KEARNS, Asst. Auditor General, Ottawa.

Paiement en espèces des frais de voyage d'un membre invalidé de la force

Bureau de l'Auditeur, Ottawa, le 30 mai 1922.

Monsieur,—La pièce justificative n° 7799 payée par le chèque du contrôleur financier, n° 1350, 1921-22, est pour le paiement de $58 à T. J. Ball, dont $53 pour son billet de passage de Regina à Peterborough et $5 pour allocation de subsistance, lorsqu'il a été réformé de la force comme invalide, ces paiements ayant été effectués, d'après une note en marge de la pièce, sous l'autorité des paragraphes 1055 et 1056 des Ordres généraux.

Le paragraphe 1055 qui autorise de payer les frais de transport des membres invalidés de la force contient la clause suivante: "Il sera bien entendu que le transport sera effectué au moyen d'un mandat de transport par chemin de fer, et qu'en aucune circonstance l'équivalent du prix de passage ne sera accordé en espèces, soit pour tout le montant, soit pour une partie du montant."

C'est mon devoir de vous demander pourquoi ce paiement a été fait à M. Ball en espèces, en présence du règlement susdit qui, ayant été approuvé par le Gouverneur en conseil, a force de loi.

Le paiement de cinq dollars pour allocation de subsistance est directement en conformité du paragraphe 1056 et n'a pas besoin de commentaires.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le Commissaire, Royale Gendarmerie à cheval du Canada, Ottawa.

Royale Gendarmerie à cheval du Canada, Ottawa, le 9 juin 1922.

Monsieur,—J'ai l'honneur d'accuser réception de votre lettre du 30 du mois dernier au sujet de la pièce justificative n° 7799, payée par le contrôleur financier, chèque n° 1350 (1921-22), pour le paiement de $58 à T J. Ball, comme allocation de transport et de subsistance lorsqu'il a été réformé de la troupe comme invalide, lequel paiement est contraire aux paragraphes 1055 et 1056 des Règles et Règlements de la R.G. à ch. du Canada.

Je vous inclus sous pli, pour votre information, une copie des Ordres généraux émis par la force pour la semaine se terminant le 10 juillet 1920, mentionnant des extraits d'un arrêté en conseil du 30 juin 1920, et lesquels ordres généraux renferment une ordonnance portant modification aux paragraphes 1055 et 1056 desdits règlements.

Relativement au paragraphe 1055, il est à remarquer que le mot "peut" est employé, au point de vue duquel, lors de la réforme du gendarme Ball, l'officier commandant n'était pas très certain, concernant son autorité à émettre une réquisition pour son transport. L'ancien gendarme Ball, présenta, après avoir été libéré, une demande de remboursement de ses frais de déplacement de Regina à Peterborough et dans les circonstances sa demande a été agréée.

J'ai l'intention de préparer un rapport au Conseil afin de légaliser ce paiement; cette mesure, je l'espère, vous donnera satisfaction.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

CORTLANDT STARNES, *commissaire adj.*

Wm Kearns, auditeur général adjoint, Ottawa.

Remarque—Un arrêté en Conseil a été édicté dans la suite autorisant le paiement en question.

WM K., *A.G. adj.*

Dépenses des membres de la force présents au "Field Day" de la police de Pennsylvanie

BUREAU DE L'AUDITEUR, OTTAWA, le 7 juillet 1922.

MONSIEUR,—La pièce justificative Royale Gendarmerie n° 13855 (compte de Toronto n° 717) est pour un montant de $342.20, soit le montant des dépenses encourues par le surintendant Duffus et quatre autres membres de la force pour leur permettre d'assister au "Field Day" de la police de Pennsylvanie, à Harrisburg, Pa., E.-U., A.

J'aimerais à connaître vos raisons pour considérer que vous pouvez imputer convenablement une dépense de cette nature sur les crédits votés pour la Royale Gendarmerie. Le voyage en question ne semble pas avoir de rapport direct avec les fonctions de la gendarmerie, mais semble plutôt avoir été simplement une visite amicale faite par quelques membres de la force à la force constabulaire de Pennsylvanie à l'occasion de son "Field Day" annuel. Je suis d'opinion que les dépenses d'un voyage de cette nature ne doivent être autorisées que lorsque le voyage est censé être dans le meilleur intérêt de la force, et même en ce cas faut-il qu'il soit autorisé par le Gouverneur en conseil.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le Commissaire, Royale Gendarmerie à cheval du Canada, Ottawa.

ROYALE GENDARMERIE À CHEVAL DU CANADA, OTTAWA, le 12 juillet 1922.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 7 courant concernant la pièce justificative Royale Gendarmerie n° 1385 (compte de Toronto n° 717) pour le montant de $342.20 pour dépenses encourues par le surintendant Duffus et quatre autres membres de la force pour assister au "Field Day" de la police de Pennsylvanie, à Harrisburg, Pa., E.-U., A.

Permettez-moi de vous dire, en réponse, qu'une invitation a été reçue du surintendant du département de la force constabulaire de l'Etat, Harrisburg, invitant le commissaire et quatre autres membres de la Royale Gendarmerie à cheval du Canada à assister à un tournoi à Harrisburg auquel devaient être présents les surintendants des forces constabulaires de tous les autres Etats, ainsi que divers membres de leurs organisations, aussi bien que d'autres personnes haut placées que le gouverneur Sproule devait juger à propos d'inviter.

Dans son invitation le surintendant Adams disait que les frais de déplacement et de subsistance pendant que les membres resteraient dans l'Etat de Pennsylvanie seraient supportés par la police de l'Etat de Pennsylvanie.

Le commissaire Perry a soumis cette matière à l'hon. J. A. Calder qui était alors président du Conseil privé et le ministre en charge de la Royale Gendarmerie, lui apprenant qu'il serait dans l'impossibilité d'y aller mais qu'il croyait être de bonne politique d'y envoyer un officier et quatre membres d'autres rangs, et que pour ce qui concerne les frais de transport, il suggéra qu'il ne nous conviendrait pas d'accepter leur offre de nous payer ces dépenses.

Le ministre approuva l'idée d'envoyer un détachement et d'imputer les dépenses au fonds de la gendarmerie.

Le surintendant Duffus et ses hommes ont été entretenus par le Gouverneur et les autorités de l'Etat et ils firent une bonne impression et établirent des relations amicales avec les forces de divers Etats qui peuvent devenir utiles dans le cours de nos travaux.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

CORTLANDT STARNES, *commissaire adj.*

Vote of Fiscal Year may not be transferred to meet expenditure of following year

SOLDIERS' CIVIL RE-ESTABLISHMENT, OTTAWA, April 29, 1922.

DEAR SIR,—In the fiscal year 1921-22 $600,000, Vote 521, as a Supplementary Estimate, and $1,500,000, Vote 426, as a further Supplementary Estimate, were requested for the use of this Department in connection with Unemployment Relief. Of this total combined amount at the close of the fiscal year there remained a balance of approximately $350,000 unexpended.

Immediately advice was received in this office that it would be in order to operate against the new Letter of Credit, the necessary action was taken to close off the old year. For the fiscal year 1922-23 an Estimate was submitted for the amount of $500,000 for Unemployment Relief.

It is now found that Vendors' Invoices applicable to March of last year are coming in for payment for large amounts and it is thought possibly that the amount of $500,000 will not be sufficient for the needs of the Department for this fiscal year in view of these payments being made for accounts incurred previously.

On account of the above it is requested, please, that you advise if it will be possible to transfer the amount of $340,000 from Vote 521 of the fiscal year 1921-22 to the credit of Vote 295 of the present year. This, in order to take care of this unexpected contingency.

Yours very truly,

(Sgd.) S. H. McLAREN, *for Supervisor of Expenditures.*

The Auditor General, Ottawa.

AUDIT OFFICE, Ottawa, May 2, 1922.

DEAR SIR,—Referring to your letter of the 29th ultimo calling attention to a provision of $2,100,000 in the Supplementary Estimates of the fiscal year 1921-22 of which only $350,000 remained unexpended on March 31 last, I beg to point out that by Order in Council P.C. 947 of the 29th ultimo the balances of appropriations of the fiscal year 1921-22 remaining unexpended on March 31, 1922, may be drawn on under your Letter of Credit until the 15th instant to pay all obligations incurred during the fiscal year ended March 31, 1922, for which provision was made in the Supply Bill of that year.

I presume this extension of time will enable you to dispose of all claims of the past fiscal year chargeable to the appropriation to which you refer.

I know of no authority outside Parliament itself under which an appropriation of any fiscal year may be made available for expenditure in a succeeding year.

Yours truly,

WM. KEARNS, *Asst. A.G.*

S. H. McLAREN, Esq.,

Leave of Absence to be granted under certain regulations

AUDIT OFFICE, Ottawa, March 31, 1922.

SIR,—I am in receipt of an Order in Council dated March 16, 1922, which provides for granting leave of absence to temporary employees of your Department whose services are to terminate when the leave expires.

In this connection, I desire to draw your attention to the provisions of the Civil Service Act of 1918 regarding regulations governing leave of absence in special cases.

Les crédits d'un exercice ne peuvent être transférés pour couvrir les dépenses de l'année suivante

RÉTABLISSEMENT CIVIL DES SOLDATS, OTTAWA, 29 avril 1922.

CHER MONSIEUR,—Durant l'exercice 1921-22, une somme de $600,000, crédit 521 du budget supplémentaire, et une somme de $1,500,000, crédit 426 d'un autre budget supplémentaire, furent votées pour ce ministère comme fonds de secours des sans-travail. A la fin de l'exercice, il restait, de ce montant total, une balance d'environ $350,000 non dépensée.

Immédiatement, avis fut reçu à ce bureau, qu'il serait dans les règles d'imputer les déboursés à la nouvelle lettre de crédit. Cette décision était nécessaire pour fermer les livres de l'année financière écoulée. On a inscrit au budget de l'exercice 1922-23 une somme de $500,000 pour secourir les chômeurs.

On découvre maintenant que des factures pour de fortes sommes imputables au compte du mois de mars de l'an dernier nous sont présentées pour être payées. Nous croyons que peut-être la somme de $500,000 ne suffirait pas pour les besoins du ministère pour l'exercice présent à cause du paiement de dépenses contractées antérieurement.

Pour les raisons précitées veuillez, s'il vous plaît, nous dire s'il est possible de transférer le montant de $340,000 du crédit 521 de l'exercice 1921-22 au crédit 295 de la présente année. Ce, pour faire face à ces dépenses imprévues.

Bien à vous,

S. H. McLAREN, *pour le surveillant des dépenses.*

L'Auditeur général, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 2 mai 1922.

MONSIEUR,—Au sujet de votre lettre du 29 du mois dernier attirant mon attention sur un crédit de $2,100,000 dans le budget supplémentaire pour l'exercice 1921-22 dont il restait au 31 mars dernier un solde de $350,000, je dois vous dire qu'un arrêté du Conseil, C.P. 947, adopté le 29 du mois dernier vous autorise à puiser sur le solde de crédit de l'exercice 1921-22, conformément aux termes de votre lettre de crédit, jusqu'au 15 courant, pour payer les obligations contractées pendant l'exercice clos le 31 mars 1922 et dont le paiement était autorisé par la Loi des subsides de cette année.

Je présume que cette prorogation de temps vous permettra d'acquitter toutes les réclamations du dernier exercice qui sont imputables au crédit dont vous parlez.

Je ne connais pas d'autorité en dehors du parlement lui-même qui puisse autoriser de puiser sur les crédits d'un exercice pour payer les dépenses de l'exercice suivant.

Votre dévoué,

WM KEARNS, *A.G. adj.*

Congé devant être accordé sous l'empire de certains règlements

COUR DES COMPTES, OTTAWA, le 31 mars 1922.

MONSIEUR,—Je reçois un arrêté ministériel daté du 16 mars 1922, stipulant quant aux congés devant être accordés aux fonctionnaires temporaires de votre ministère, dont les services se termineront lorsque le congé prendra fin.

A ce sujet, je désire attirer votre attention sur les dispositions de la Loi du Service civil de 1918, concernant les règlements régissant les congés dans des cas spéciaux.

Section 26 directs that such regulations are to be made by the Civil Service Commission with the approval of the Governor in Council.

As there appear to be no general regulations by the Civil Service Commission governing such leave as has been granted by Order in Council of March 16 to certain of your employees the authority of the Commission should have been secured antecedent to the action by Council.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Soldiers' Civil Re-establishment.

Department of Soldiers' Civil Re-establishment, Ottawa, April 6, 1922.

Sir,—In reply to your letter of March 31, I would advise that the Order in Council of March 16, 1922 (P.C. 598), to which you have reference, was enacted pursuant to the authority conferred upon the Governor in Council by the provisions of Chapter 42, Statutes of 1918, as amended by Chapter 29, Statutes of 1919, Section 5, Subsection 2B, of which states "That the Governor in Council may make regulations, from time to time, for granting authority to the Minister to employ staff, etc. . . . notwithstanding the Civil Service Act of 1918 and amendments thereto and other similar Acts bearing on the Civil Service of Canada."

In view of the authority mentioned, it appears that the Governor in Council is entirely competent to enact such regulations as may be deemed expedient for the control of the staff of this Department.

Yours very truly,

N. F. PARKINSON, *D.M.*

The Auditor General.

Commission on payments of Imperial Pensions: delay in crediting to Receiver General

Audit Office, Ottawa, December 11, 1922.

Sir,—With reference to a refund of $105,124.50, made by your Department on May 5, 1922, and credited to sundry votes, I have now received from the Board of Pension Commissioners the accounts for the period from July 1 to December 31, and the bank accounts for the private accounts kept by them in the Royal Bank of Canada, Rideau street, and upon examination of these papers, I beg to draw your attention to the method adopted by them in dealing with these accounts, which I do not consider to be in accord with the intentions of the Orders in Council passed by the Government and dealing with this question.

On January 19, 1920, Order in Council P.C. 133 was passed providing that all documents, furnishings, papers and other matters pertaining to the administration of Imperial Pensions in Canada should be transferred to the Board of Pension Commissioners of Canada, and at this time there remained a considerable balance of funds to the credit of the Board appointed to administer pensions under the Order in Council of May 5, 1908. These funds were not then transferred to the Receiver General, and on the passing of an Order in Council dated July 8, 1920, this balance, less the gratuities provided for, was transferred by the old Board to the Board of Pension Commissioners, and by them deposited in a private savings account in the Rideau Street Branch of the Royal Bank of Canada, and the amount transferred did not come to the account of the Receiver General until the receipt of your refund on May 5, 1922. In this connection, I would ask why the amount was not immediately transferred to the credit of the Receiver General, especially in view of the

L'article 26 prescrit que la Commission du Service civil doit établir lesdits règlements sujets à l'approbation du gouverneur en conseil.

Comme il semble que la Commission du Service civil n'a pas établi de règlements généraux, régissant les congés tels que ceux accordés par l'arrêté ministériel du 16 mars, à certains de vos fonctionnaires, il aurait fallu obtenir l'autorisation de la Commission avant que le Conseil agisse.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Au sous-ministre du Rétablissement des Soldats dans la vie civile.

MINISTÈRE DU RÉTABLISSEMENT CIVIL DES SOLDATS, OTTAWA, le 6 avril 1922.

MONSIEUR,—En réponse à votre lettre du 31 mars, je vous dirai que l'arrêté ministériel du 16 mars 1922 (C.P. 598) que vous mentionnez, a été rendu conformément à l'autorisation conférée au Gouverneur en conseil par les dispositions du chapitre 42 des statuts de 1918, telles que modifiées par le chapitre 29 des statuts de 1919, article 5, sous-article 2 B, qui dit "Que le gouverneur en conseil peut faire des règlements, de temps en temps, afin d'accorder au ministre l'autorisation d'employer un personnel, etc....... nonobstant la Loi du Service civil de 1918 et ses amendements, et autres lois de même nature ayant trait au Service civil du Canada."

Par suite de l'autorisation mentionnée, il semble que le gouverneur en conseil a toute la compétence voulue pour passer tels règlements, qui peuvent être jugés expédients pour la direction du personnel de son ministère.

Très cordialement à vous,

N. F. PARKINSON, *sous-ministre.*

Commission des paiements des pensions impériales: délai à accréditer le Receveur général

---

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 11 décembre 1922.

MONSIEUR,—Relativement au remboursement de $105,124.50, fait par votre ministère, le 5 mai 1922, et porté au crédit de divers comptes, je viens de recevoir de la Commission des Pensions les comptes de la période du 1er juillet au 31 décembre, ainsi que les comptes de banque des dépôts qu'elle avait à la Banque Royale du Canada, rue Rideau. Après avoir examiné ces documents, je désire attirer votre attention sur la méthode adoptée pour cette comptabilité et que je ne considère pas conforme à l'esprit des arrêtés en conseil passés par le gouvernement à ce sujet.

Un arrêté en conseil, P.C. 133, en date du 19 janvier 1920, décrétait que tous les documents, les fournitures, les papiers et les autres choses ayant trait à l'administration des pensions impériales au Canada fussent transférés à la Commission des Pensions du Canada. Il restait à ce moment des sommes considérables au crédit de la commission nommée pour administrer les pensions, en vertu de l'arrêté en conseil du 5 mai 1908. Ces fonds ne furent pas alors transférés au Receveur général et, après la proclamation d'un arrêté en conseil en date du 8 juillet 1920, ils furent transférés, moins les gratifications prévues, à la Commission des Pensions, par l'ancienne commission, et déposés dans un compte d'épargne particulier à la succursale de la Banque Royale du Canada, rue Rideau. Les sommes ainsi transférées ne furent pas portées au compte du Receveur général avant votre remboursement du 5 mai 1922.

fact that from January 1, 1920, to July 1, 1921, all the expenses for salaries, etc., were paid from the vote for Salaries and Contingent Expenses of the Board of Pension Commissioners, and no amounts for commissions earned were credited to the appropriation after February, 1921.

Upon examining the accounts kept by the Board in the Rideau Street Branch of the Royal Bank of Canada, I find that the commissions paid by the Imperial Pensions for the eleven months between March 1, 1921, and January 31, 1922, were credited to the different accounts, and from the account, expenses for only six months appear to have been paid, and the so-called surplus, shown in the statements, is entirely due to the credit of eleven months' receipts and the charge of six months' expenditure.

In the credits shown, I find that cheques drawn on London, England, amounting to £22,524 9s. 10d. appear upon the bank accounts, with proceeds amounting to $96,733.13. Had these cheques been forwarded to the Finance Department for transfer to London, England, as had been done in all transactions prior to February 28, 1921, they would have netted $109,619.41, making a direct loss to the account of $12,886.28, due to the negotiation of London cheques in a private bank rather than through the Finance Department. The savings account carried in this bank prior to its being transferred to your Department, was adjusted by the addition of interest up to March 31, 1922, but was not checked out until May 5, consequently, there remained interest for the month of April, amounting to $136.63, which should have been credited to this account and transferred to your Department.

The refunds made by you appear to be made up of several items other than the two refunds from the Board of Pension Commissioners, but there does not seem to be any explanation as to what these items are, and the division of the total refund among the different votes is entirely at variance with the amounts charged to the votes. Kindly inform me how you arrived at this division, and what was done by your Department to ascertain, upon taking over the account, that the previous transactions were in accordance with governmental authority, and that the amount transferred was the amount properly due to the Government.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Supervisor of Expenditures,
Dept. of Soldiers' Civil Re-establishment, Ottawa.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,
OTTAWA, December 14, 1922.

DEAR SIR,—I have received your letter of December 11, in regard to certain transactions resulting in a refund of $105,124.50 made by this Department on May 5, 1922.

The responsibility for these transactions does not lie with this Department because, after the promulgation of Order in Council P.C. 113, providing that all documents, papers, and other matters pertaining to the Imperial Pensions in Canada should be transferred to the Board of Pension Commissioners of Canada, the responsibility for the administration of these funds was entirely a matter for the Board of Pension Commissioners, and the D.S.C.R. had nothing whatever to do with the matter until acting under Order in Council P.C. 4500, the Board of Pension Commissioners turned over to us all assets and funds. It was only on receipt of

A ce sujet, je vous demanderais pourquoi le montant n'a pas été immédiatement transféré au crédit du receveur général, surtout à cause du fait que du 1er janvier 1920 au 1er janvier 1921, toutes les dépenses pour les traitements, etc., ont été payées à même le crédit pour les traitements et les dépenses imprévues de la commission des Pensions, et il n'a pas été crédité au vote de montant pour les commissions gagnées, après février 1921.

En faisant l'examen des comptes tenus par la commission dans la succursale de la rue Rideau de la Royal Bank of Canada, je constate que les commissions payées par le bureau impérial des Pensions, pour les onze mois, entre le 1er mars 1921 et le 31 janvier 1922, ont été créditées aux différents comptes, et d'après le compte il semble que les dépenses faites pendant six mois seulement ont été payées. Et le soi-disant surplus, apparaissant dans les états, est entièrement causé en créditant les recettes de onze mois et en imputant les déboursés de six mois.

En ce qui concerne les crédits, je constate que les chèques tirés sur Londres, Angleterre, s'élevant à £22,524-9-10 apparaissent aux comptes de la banque, avec un produit s'élevant à $96,733.13. Si ces chèques eussent été transmis au ministère des Finances avant d'être transférés à Londres, Angleterre, comme cela s'était fait dans le cas de toutes les transactions antérieures au 28 février 1921, ils eussent rapporté un montant net de $109,619.41, faisant perdre directement au compte $12,886.28, perte causée par la négociation des chèques de Londres dans une banque privée, plutôt que par l'entremise du ministère des Finances. Le compte d'épargnes ouvert à cette banque avant d'être transféré à votre ministère, a été réglé par l'addition de l'intérêt jusqu'au 31 mars 1922, mais le pointage n'en a pas été fait avant le 5 mai, par conséquent, il restait pour le mois d'avril de l'intérêt s'élevant à $136.63, qui aurait dû être crédité à ce compte et être transféré à votre ministère.

Les remboursements que vous avez faits paraissent composés de plusieurs articles autres que les remboursements de la Commission des pensions, mais il ne semble y avoir aucune explication sur la nature de ces articles, et la répartition du remboursement global entre les différents crédits est en contradiction avec les sommes imputées à ces crédits. Veuillez me dire comment vous en êtes arrivé à cette répartition et ce que votre ministère a fait pour s'assurer, en assumant la responsabilité de ce compte, si les transactions antérieures avaient été autorisées par le gouvernement et si la somme transférée était la somme réellement due au gouvernement.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le surveillant des dépenses,
Ministère du Rétablissement des Soldats dans la vie civile.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

OTTAWA, le 14 décembre 1922.

MONSIEUR,—J'ai reçu votre lettre du 11 décembre relativement à certaines transactions qui aboutirent au remboursement par ce ministère de la somme de $105,124.50 le 5 mai 1922.

Le ministère n'est pas responsable de ces transactions, car, après la promulgation de l'arrêté du Conseil, C.P. 113, stipulant que tous les documents, papiers et autres choses se rapportant à la Commission impériale des pensions au Canada, soient transférés à la Commission des pensions du Canada, la responsabilité de l'administration de ces deniers était l'affaire exclusive de la Commission des pensions. Le ministère du Rétablissement des Soldats dans la vie civile n'avait absolument rien à y voir jusqu'à

these funds from the B.P.C. that our responsibility for administration commenced. These funds were only turned over to us on April 21, 1922.

I would respectfully suggest, therefore, that you deal directly with the Chairman of the Board of Pension Commissioners for your inquiries in your letter, with the exception of the last paragraph which concerns us, and to which I will reply in a letter following.

Yours faithfully,

JOHN F. WADDINGTON, *Supervisor of Expenditures.*

The Assistant Auditor General, Ottawa.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT, OTTAWA, December 18, 1922.

DEAR SIR,—With further reference to your letter of December 11th, the details of the refund of $105,124.50 are composed of the following items:—

Item 1. Cheque No. 4398 for the Department of Militia and Defence in favour of Officer Paying Imperial Pensions, being in payment of account rendered for services and stationery used in Imperial Pension Office re investigation of claims for difference in sterling exchange on Imperial sterling pension cheques..	$ 205 76
Item 2. 3% commission on Imperial Pension Office transactions February in Canadian currency, Chq. 110—11-4-22.	2,110 93
Item 3. 3% commission on Imperial Pension Office transactions February in Sterling Chq. 2131—£1,858.10.3—11-4-22..	8,372 58
Item 4. Royal Bank Chq. 641—balance of current account—Board of Pension Commissioners as trustees for Imperial Pension Office..	26,496 99
Item 5. Royal Bank Chq. 640—balance of savings account—Board of Pension Commissioners as trustees for Imperial Pension Office..	54,983 83
Item 6. S.R.C. Chq. 62415 for amount of bonus paid certain members of Imperial Pension Office staff assumed to be properly a charge against commission earned but subsequently ruled as S.C.R. expense July, 1921-March, 1922..	1,995 81
Item 7. S.C.R. Chq. 62414 for amount of salary paid certain members of Imperial Pension Office staff assumed to be properly a charge against commission earned but subsequently ruled as S.C.R. expense July, 1921-March, 1922..	10,958 60
	$105,124 50

It should be borne in mind that in taking over these items from the Board of Pension Commissioners, statements were received by us from Mr. Lawson, then Pensions Accountant, which are on our files, and which may be submitted if you so desire. Responsibility for transactions previous to the handing over of these assets and documents does not, in our opinion, devolve upon this office; but nevertheless every effort was made on our part to ensure as far as possible that all things were in order.

It may be pointed out that between the middle of February and April 21st, Mr. McCrudden of this office, was on numerous occasions in touch with Mr. Lawson, Pensions Accountant, and cursory examinations of the books and records regarding this account, were made. Mr. McCrudden was quite satisfied and so reported to me that the

ce que, en vertu de l'arrêté du Conseil, C.P. 4500, la Commission des pensions nous remit tout l'actif et les deniers. Ce n'est qu'à la réception de ces deniers de la Commission des pensions que notre responsabilité commença. Ces deniers ne nous furent remis que le 21 avril 1922.

Je vous conseille respectueusement de traiter directement avec le président de la Commission des pensions pour obtenir les renseignements que demande votre lettre, à l'exception du dernier paragraphe qui nous concerne et auquel je répondrai dans une autre lettre.

Votre respectueux,

JOHN F. WADDINGTON, *surveillant des dépenses.*

L'Auditeur général adjoint, Ottawa.

MINISTÈRE DU RÉTABLISSEMENT CIVIL DES SOLDATS, OTTAWA, le 18 décembre 1922.

CHER MONSIEUR,—Relativement encore à votre lettre du 11 décembre, les détails du remboursement des $105,124.50 se composent des articles suivants:

Article 1. Chèque n° 4398 émis par le ministère de la Milice et de la Défense en faveur de l'officier payeur des pensions impériales, pour le paiement du compte rendu pour les services et pour la papeterie employée au bureau des pensions impériales au sujet des recherches sur les réclamations pour la différence dans le change sterling sur les chèques émis par les pensions impériales pour du sterling..	$ 205 76
Article 2. 3% de commission sur les transactions faites par le bureau des pensions impériales en argent canadien. Chèque 110—11-4-22..	2,110 93
Article 3. 3% de commission sur les transactions faites par le bureau impérial des pensions. Chèque 2131 L1, 858.10.3—11-4-22..	8,372 58
Article 4. Chèque de la Royal Bank 641—solde d'un compte courant—les commissaires des pensions étant les fiduciaires du bureau impérial des Pensions.. ..	26,496 99
Article 5. Chèque de la Royal Bank 640—solde d'un compte d'épargne—les commissaires des Pensions étant les fiduciaires du bureau impérial des Pensions.	54,983 83
Article 6. M. R. S. V. C. chq. 62415 pour le montant de la gratification payée à certains membres du personnel du bureau impérial des Pensions, supposé être imputable à proprement parler sur les commissions gagnées, mais réglé dans la suite comme étant des frais encourus par le M. R. S. V. C. de juillet 1921 à mars 1922..	1,995 81
Article 7. Chèque 62414 du M. R. S. V. C. pour le montant du traitement payé à certains membres du personnel du bureau impérial des Pensions, supposé être imputable à proprement parler sur les commissions gagnées, mais réglé dans la suite comme étant des frais encourus par le ministère du R. S. V. C. de juillet 1921 à mars 1922..	10,958 60
	$105,124 50

Il faudrait se rappeler qu'en acceptant ces articles de la commission des pensions, nous avons reçu des états de M. Lawson, qui était alors comptable des Pensions. Ces états sont dans nos liasses et nous pouvons les soumettre si vous le désirez.

A notre sens ce bureau n'est pas responsable des transactions antérieures à la remise de ces actifs et de ces documents; mais néanmoins, nous avons fait tous les efforts possibles afin que tout fut en règle.

On peut faire remarquer qu'entre le milieu de février et le 21 avril 1921, M. McCrudden de ce bureau, a vu plusieurs fois M. Lawson, le comptable des Pensions, et il a été fait des examens à la hâte des livres et des archives touchant ce compte. M. McCrudden était tout à fait convaincu, et il m'a signalé dans ce sens, que le montant

amount on hand represented the proper balances as reflected on the books of account maintained by Mr. Lawson.

With regard to the improper division of refunds to the various Votes, the original credit of $105,124.50 was applied as follows, on May 5th, 1922:—

Vote 277.	Care of Patients	$ 527 49
281.	Operating	29,807 61
367.	Bonus	5,795 49
86*a*.	Salaries and Contingencies Pensions Permanent Staff	3,370 35
86*b*.	Contingencies—Pensions	48 13
		$ 39,549 07
	Casual Revenue	65,575 43
		$105,124 50

This is based upon analysis of Imperial Pension Office account.

Sometime in October Mr. Lindsay of the A.G.'s office advised that an item of salaries, $8,034.50, paid in March, 1922, had not been refunded. Examination of account was then made with the result that above refund should have been detailed as follows:—

Vote 281.	Operating	$ 21,720 01
367.	Bonus	5,795 49
86*a*.	Salaries—Pensions Permanent Staff	3,370 35
86*b*.	Salaries and Contingencies Pension Temporary Staff	8,663 22
		$ 39,549 07
	Casual Revenue	65,575 43
		$105,124 50

On the date this was finally determined, October 25th, 1922, upon enquiry to both Auditor General and Finance Department, we found it was too late to correct the entry made in May previous.

I trust this explanation will clear your difficulties.

Yours very truly,

JOHN F. WADDINGTON, *Supervisor of Expenditures.*

The Assistant Auditor General, East Block, Ottawa.

AUDIT OFFICE, December 20, 1922.

SIR,—I am in receipt of your letter of the 18th instant with reference to a refund of $105,124.50, made by your Department on the 5th of May, 1922.

In this connection I find that Item 3 of the refund is the proceeds of a cheque of £1,858 10s. 3d., which is shown upon the statement as $8,372.58. This cheque would have netted your department $9,044.75, had it been forwarded to the Finance Department for transfer to London, England, and consequently, your appropriation has lost the difference of $672.17.

I find upon looking over your refund statement for the present year that refunds of those commissions received from the Imperial Government for the months of

en main représentait les soldes véritables tel qu'il appert dans les livres du compte tenu par M. Lawson.

En ce qui concerne la division impropre des remboursements aux divers crédits, le crédit original de $105,124.50 a été appliqué comme suit, le 5 mai 1922:

Crédit 277.	Soins des patients..	$ 527 49
281.	Administration..	29,807 61
368.	Gratifications..	5,795 49
86a.	Traitement et dépenses imprévues—personnel permanent des Pensions..	3,370 35
86b.	Dépenses imprévues—Pensions..	48 13
		$ 39,549 07
	Recettes casuelles..	65,575 43
		$105,124 50

Ceci est basé sur l'analyse du compte du bureau impérial des Pensions.

Dans le courant d'octobre, M. Lindsay du bureau de l'Auditeur général, nous a avertis qu'un article relatif à des traitements, soit, $8,034.59, payés en mars 1922, n'avaient pas été remboursés. On a alors fait l'examen du compte avec le résultat que le remboursement précité aurait dû être détaillé comme suit:

Crédit 281.	Administration..	$ 21,720 01
367.	Gratifications..	5,795 49
86a.	Traitements—Pensions au personnel permanent ..	3,370 35
86b.	Salaires et dépenses imprévues—personnel temporaire des Pensions..	8,663 22
		$ 39,549 07
	Recettes casuelles..	65,575 43
		$105,124 50

Le jour que ce pont fut déterminé d'une manière définitive, le 25 octobre 1922, après renseignements pris chez l'auditeur général et le ministère des Finances, nous découvrîmes qu'il était trop tard pour corriger l'inscription faite au mois de mai précédent.

Très cordialement à vous,

JOHN F. WADDINGTON, *surveillant des déboursés.*

A l'Auditeur général adjoint, édifice de l'est, Ottawa.

BUREAU DE L'AUDITEUR, le 20 décembre 1922.

MONSIEUR,—Je viens de recevoir votre lettre du 18 courant au sujet du remboursement de la somme de $105,124.50 effectué par votre ministère le 5 mai 1922.

Je constate que l'article 3 et le produit d'un chèque de £1,858.10.3 qui est représenté sur votre état par la somme de $8,372.58. Ce chèque, eût-il été expédié au ministère des Finances pour être transféré à Londres, Angleterre, aurait rapporté à votre ministère $9,044.75; votre crédit a donc perdu la différence, soit $672.17.

En examinant votre état sur les remboursements effectués pendant l'année courante, je constate que les commissions reçues du gouvernement impérial pendant les

April, May, June, July and August, amounting to £9,694 10s. 8d., have been shown upon your statement as follows:—

The amount received for this refund also shows a loss to your appropriation of $4,039.52.

Kindly inform me why these refunds were not transferred to the Finance Department to be negotiated by them.

Any further cheques which you may have, which are drawn upon London, England, should be transferred by you to the Finance Department for the credit of the proper appropriation.

AUDIT OFFICE, December 20, 1922.

SIR,—With regard to two cheques for $54,983.83 and $26,496.99, issued by you and deposited to the credit of the Receiver General by the Department of Soldiers' Civil Re-establishment, being the amounts of the balances in the private accounts kept by you in the Royal Bank of Canada, Rideau Street, on account of commissions received from the Imperial Government for the payment of pensions in Canada, I have also received from the Accountant of your Department the cheques and accounts of the above bank accounts for the period from July 1 to December 31, 1921.

In this connection I beg to draw your attention to the method adopted by you in dealing with these accounts, which I do not consider to be in accord with the intentions of the Orders in Council passed by the Government and dealing with the question.

On January 19, 1920, Order in Council P.C. 133 was passed providing that all documents, furnishings, papers and other matters pertaining to the administration of Imperial Pensions in Canada should be transferred to your Board, and at this time there remained a considerable balance of funds to the credit of the Board appointed by the Imperial Government to administer pensions under the Order in Council of May 5, 1908. These funds were not then transferred to the Receiver General, and on the passing of an Order in Council dated July 8, 1920, this balance, less the gratuities provided for, was transferred and by you deposited in a private savings account in the Rideau Street Branch of the Royal Bank of Canada, and this amount did not come to the credit of the Receiver General until May 5, 1922. In this connection I would ask why this account was opened, and why the amount received from the old Board was not immediately transferred to the credit of the Receiver General, and especially in view of the fact that large expenditures had been made from the appropriation for salaries, etc., during the period from January 1, 1920, to July 1, 1921, and the credits on account of commissions were very much under the amount of the expenditures.

mois d'avril, mai, juin, juillet et août, et s'élevant à £9,694.10.8, y sont indiquées comme suit:

Article	H.O.	Mois	Commission	à 4.86⅔	Montant du remboursement

			£9,694-10- 8	$47,180 02	$43,140 50

La somme reçue en remboursement révèle que votre crédit a subi une perte de $4,039.52.

Veuillez, s'il vous plaît, me dire pourquoi ces remboursements n'ont pas été transférés au ministère des Finances pour qu'il les négocie.

Tous les autres chèques que vous pouvez avoir et qui sont tirés sur Londres, Angleterre, vous devrez les transférer au ministère des Finances pour être crédités au comptes dont ils relèvent.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

WM KEARNS, *Auditeur général adj.*

Le surveillant des dépenses.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 20 décembre 1922.

MONSIEUR,—Relativement aux deux chèques, de $54,983.83 et $26,496.99, que vous avez émis et qui ont été déposés au crédit du Receveur général par le ministère du Rétablissement des Soldats dans la vie civile, pour couvrir les soldes des comptes privés que vous aviez à la Banque Royale du Canada, rue Rideau, au sujet des commissions reçues du Gouvernement impérial pour le paiement des pensions au Canada, j'ai aussi reçu du comptable de votre ministère les chèques et les comptes de banque ci-dessus mentionnés pour la période du 1er juillet au 31 décembre 1921.

Je désire attirer votre attention sur la méthode que vous avez adoptée au sujet de ces comptes et que je ne pense pas conforme à l'esprit des arrêtés en conseil traitant de cette question.

L'arrêté en conseil P.C. 133, du 19 janvier 1920, décrétait que tous les documents, fournitures, papiers et autres choses ayant trait à l'administration des pensions impériales au Canada devaient être transférées à votre Commission. A ce moment, il y avait un montant considérable au crédit de la commission nommée par le gouvernement impérial pour administrer les pensions, en vertu de l'arrêté en conseil du 5 mai 1908. Ces sommes ne furent cependant pas transférées au Receveur général et, lors de l'adoption de l'arrêté en conseil du 8 juillet 1920, vous avez déposé le reliquat du fonds, moins les gratifications prévues, à la succursale de la rue Rideau, de la Banque Royale du Canada, dans un compte d'épargnes privé. Ce montant ne fut transféré au crédit du Receveur général que le 5 mai 1922. Je vous demanderai pourquoi ce compte fut ouvert et pourquoi les sommes reçues de l'ancienne commission ne furent pas immédiatement transférées au crédit du Receveur général, surtout lorsque l'on avait fait de forts déboursés à même le crédit voté pour les salaires, etc., pendant la période du 1er janvier 1920 au 1er janvier 1921, et que les recettes provenant des commissions étaient bien inférieures aux déboursés.

Upon examining the accounts kept by your Board in the Rideau Street Branch of the Royal Bank of Canada, I find that the commissions paid by the Imperial Pensions for the eleven months between March 31, 1921, and January 31, 1922, were credited to one or the other of the different accounts, while the expenses for only six months to December 31, 1921, were charged against the accounts, and the so-called surplus, shown in the statements, is entirely due to the difference between eleven months' credits and six months' expenditure.

In the receipts shown I find that cheques drawn on London, England, amounting to £22,524 9s. 10d., appear upon the bank accounts, with proceeds amounting to $96,733.13. Had these cheques been forwarded to the Finance Department for transfer to London, England, as had been done in all transactions prior to February 28, 1921, they would have netted $109,619.41, making a direct loss to this account of $12,886.28, due to the negotiation of London cheques in a private bank rather than through the Department.

The savings account carried in this bank prior to the balance being transferred to the Department of Soldiers' Civil Re-establishment was adjusted by the addition of interest up to March 31, 1922, but the balance was not charged out until May 5, consequently, there remains interest for the month of April amounting to $136.63, which should have been credited to the account and transferred with the balance.

Kindly inform me under what authority these private accounts were opened, and why public moneys were deposited therein; and why the method of dealing with these receipts and expenditures was changed by you in February, 1921, apparently without proper authority.

I am, Sir, your obedient servant,

WM. KEARNS,
Asst. Auditor General.

The Chairman, Board of Pension Commissioners.

Department of Soldiers' Civil Re-establishment, December 29, 1922.

Sir,—Replying to your letter of December 20, which I discussed with you in our recent interview, I find that since taking over the administration of the accounts of the Imperial Pension Division, the commission earned has been deposited through the banks to the credit of the Receiver General. This was the understanding which I received from the Finance Department that the par value of exchange was not applicable in this regard, but I have since discussed it with them and in future deposits will be made through the Finance Department. I might point out, however, that refunds made by the Imperial Pension Division to us for clothing and comforts, purchased by us for Imperial Pensioners in our hospitals are billed to them in dollars and cents. They inquire from the Bank the equivalent of these amounts in sterling. This sterling cheque is deposited on the same day and at the same rate and we obtain the original amount in dollars and cents to offset our account. If these sterling amounts were to be deposited at the par rate they would create a credit in our ledger, for which no corresponding debit would be forthcoming. With your concurrence, therefore, I propose that an exception be made in this regard, on which no loss by us will be incurred. All other refunds will in future be deposited through the Finance Department in accordance with your letter.

I am, Sir, your obedient servant,

T. F. WADDINGTON,
Supervisor of Expenditures.

The Auditor General.

En examinant les comptes de votre Commission, à la succursale de la rue Rideau, de la Banque Royale du Canada, j'ai découvert que les commissions payées par les Pensions impériales pendant les onze mois, du 31 mars 1921 au 31 janvier 1922, ont été portées au crédit de l'un ou de l'autre des différents comptes, alors que l'on n'a porté au débit de ces comptes que les dépenses des six mois finissant le 31 décembre 1921. Le prétendu excédent, indiqué, dans les états, provient entièrement de la différence entre les recettes de onze mois et les déboursés de six mois.

J'ai découvert dans l'état des recettes que des chèques payables à Londres, Angleterre, au montant de £22,524.9.19, n'ont rapporté que $96,733.13, d'après les comptes de banque. Si ces chèques avaient été transmis au ministère des Finances et transférés à Londres, comme on l'a fait pour toutes les transactions antérieures au 28 février 1921, ils auraient produit $109,619.41, ce qui indique une perte nette de $12,886.28 imputable à la négociation de chèques payables à Londres par l'entremise d'une banque privée, au lieu du ministère.

On a ajouté l'intérêt jusqu'au 31 mars 1922 au compte d'épargne de la banque, avant que le solde ne soit transféré au ministère du Rétablissement des Soldats dans la vie civile, mais comme cette dernière transaction n'a été faite que le 5 mai, on aurait aussi dû ajouter l'intérêt du mois d'avril, se chiffrant à $136.63, à la somme que l'on a transférée.

Veuillez me dire en vertu de quelle autorisation l'on a ouvert ces comptes de banque privés et pourquoi l'on y a déposé des deniers publics. Pourquoi avez-vous modifié, en février 1921, apparemment sans autorisation, la procédure se rapportant à ces recettes et déboursés?

Votre humble serviteur,

WM KEARNS, *Auditeur Général adj.*

Au Président de la Commission des Pensions.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE, 29 décembre 1922.

MONSIEUR,—Répondant à votre lettre du 20 décembre, que nous avons discutée lors de notre récente entrevue, je trouve que depuis que nous avons pris charge des comptes de la division des Pensions impériales, la commission acquise a été déposée au crédit du receveur général par l'entremise des banques. Ceci s'est fait conformément à l'avis reçu du ministère des Finances, à l'effet que la valeur au pair du change ne s'appliquait pas dans ce cas; mais, depuis, j'ai discuté la question avec les officiers de ce ministère et, à l'avenir, les dépôts se feront par l'entremise du ministère des Finances. Je ferai remarquer, cependant, que les remboursements que nous recevons de la division des Pensions impériales pour vêtements et assistance, que nous procurons aux pensionnaires impériaux qui se trouvent dans nos hôpitaux, sont demandés en dollars et centins. Les officiers de cette division s'adressent aux banques pour obtenir l'équivalent de ces montants en livres. On dépose ce chèque le même jour et au même taux et nous obtenons le montant original en dollars et centins pour balancer notre compte. Si ces montants en livres étaient déposés au pair, nous aurions dans notre grand livre un crédit pour lequel il n'y aurait aucun débit correspondant. Avec votre consentement, par conséquent, je propose qu'on fasse exception dans ce cas, sans que nous ayons à subir une perte. Tous les autres remboursements seront à l'avenir déposés par l'entremise du ministère des Finances conformément à votre lettre.

Je suis, monsieur, votre obéissant serviteur,

J. F. WADDINGTON, *surveillant des dépenses.*

Surplus Grain in Terminal Elevators

AUDIT OFFICE, OTTAWA, November 19, 1921.

SIR,—With reference to Section 95, Sub-Section 7 of the Canada Grain Act in which provision has been made for stock-taking of the various grades of grain in the terminal elevators on July 31st of each year, and also for the disposal by the Board of Grain Commissioners of a certain percentage of the excess surplus grain in the elevators at that date, I beg to acknowledge the receipt of a deposit in favour of the Receiver General of Canada for $82,246.43 which amount has been placed to the credit of a cash suspense account pending directions from the Governor General in Council as to the manner in which it is to be applied towards the cost of administering the Canada Grain Act.

According to a statement sent me showing the amount to be collected from the elevators in accordance with the provisions of the statute the ascertained total is $130,357.81, leaving a balance outstanding of $49,027.07. An amount of $915.69 interest is included in the total $82,246.43. The outstanding amount, $49,027.07 is in the name of the Eastern Elevator Company otherwise known as Richardson Elevator.

I understand there has been correspondence with the Department of Justice respecting the interpretation of the Section in question and I shall be obliged if you will have copies of this correspondence sent me.

Have any steps been taken to enforce the provisions of the statute in the case of the Richardson Elevator?

I am, Sir, Your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE DEPARTMENT,

OTTAWA, November 23, 1921.

Re Section 95, Sub-Section 7, of The Canada Grain Act

DEAR SIR,—I have your letter of November the 19th, with reference to Section 95, Sub-Section 7, of The Canada Grain Act, in which provision has been made for stock-taking of the various grades of grain in the terminal elevators.

I enclose copy of the correspondence with the Justice Department as requested.

I notice you ask if any steps have been taken to enforce the provisions of the statute in the case of the Richardson Elevator. No steps have been taken as yet outside of making an attempt to obtain payment from the Company, which was refused on certain grounds. The matter was then taken up with the Justice Department to ascertain whether the contention of the Company was correct or not, before entering prosecution. The correspondence with the Justice Department is still under way.

Yours truly,

F. C. T. O'HARA, *Deputy Minister.*

The Auditor General.

AUDIT OFFICE, OTTAWA, March 9, 1922.

SIR,—Referring to your letter of November 23, 1921, with reference to Section 95, Sub-Section 7 of the Canada Grain Act, under which provision is made for stock-taking of the quantity of each grade of grain in the terminal elevators in the month of August of each year and the disposition to be made of a certain percentage of the surplus grain, I shall be obliged if you will let me know if the amount claimed from the Richardson elevator under the statute has been collected and if not is it the intention of the Department to enforce payment.

I understand an amended statement of the amounts due by each terminal elevator has been prepared by the Grain Commission on the lines indicated by the interpretation of the statute by the Department of Justice. Has any action been taken to adjust the claims made in the first instance in accordance with this amended statement.

I am, Sir, Your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE DEPARTMENT,

OTTAWA, May 5, 1922.

The King v. Eastern Terminal Elevator Company, Ltd.

DEAR SIR,—With further reference to your letter of March the 9th, with regard to the Richardson elevator, otherwise known as the Eastern Terminal Elevator Company, the Justice Department has written me as follows:

> "I am in receipt of your letter of the 3rd May respecting the claim of the Board of Grain Commissioners against the Eastern Terminal Elevator Company for overages for the crop year ending August 31st, 1920. An information has been prepared claiming from this Company the sum of $43,431.20, which amount differs from that referred to by you because it has been thought necessary to claim the value of the grain as of 4th December, 1920, rather than as of 31st August, 1920. I hope to have the Information served on the defendant Company within a few days."

Yours truly,

F. C. T. O'HARA, *Deputy Minister.*

The Auditor General.

Surplus de grain dans les élévateurs de têtes de ligne

BUREAU DE L'AUDITEUR, OTTAWA, le 19 novembre 1921.

MONSIEUR,—Relativement aux dispositions de l'article 95, alinéa 7 de la Loi des grains du Canada qui statue quant à l'inventaire à prendre des diverses classes de grain dans les élévateurs de têtes de ligne le 31 juillet de chaque année, ainsi qu'à la façon dont la Commission des grains doit disposer du surplus de grain dans les élévateurs à cette date, j'accuse réception d'un dépôt fait en faveur du receveur général du Canada au montant de $82,246.43, somme qui a été placée au crédit du compte de caisse transitoire en attendant que le Gouverneur général en Conseil ait statué quant à la façon dont cette somme doit être appliquée dans l'administration de la Loi des grains du Canada.

D'après un état qu'on m'a fait tenir pour indiquer le montant à percevoir des élévateurs conformément aux stipulations du Statut, le total certifié s'élève à $130,357.81, ce qui laisse une balance de $49,027.07. La somme de $82,246.43 comprend l'intérêt qui se chiffre à $915.69. Le montant en cours, savoir, $49,027.07 est inscrit au nom de la Eastern Elevator Company qui est connu sous le nom de la Richardson Elevator.

On m'apprend qu'il s'est échangé un peu de correspondance avec le ministère de la Justice au sujet de l'interprétation à donner à l'article en question; je vous saurais gré de me faire expédier la copie de cette correspondance.

Je serais heureux de savoir si l'on a pris des mesures pour mettre en vigueur les stipulations de la loi dans le cas de l'élévateur Richardson.

Votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre,
Ministère du Commerce.

MINISTÈRE DU COMMERCE,

OTTAWA, le 23 novembre 1921.

Re Article 95, Alinéa 7, de la Loi des Grains du Canada

CHER MONSIEUR,—J'ai reçu votre lettre du 19 novembre portant sur l'article 95, alinéa 7, de la loi des grains du Canada qui statue quant à l'inventaire à faire des diverses catégories de grains dans les élévateurs de têtes de ligne.

Je vous inclus la copie de la correspondance échangée avec le ministère de la Justice à ce sujet.

Vous demandez si des mesures ont été prises en vue de mettre la loi en vigueur dans le cas de l'élévateur Richardson. Nulle mesure n'a été prise à cette fin, sauf qu'on a cherché à encaisser la somme due par cette compagnie qui, pour certaines raisons, refuse de payer. C'est alors que la question fut portée au ministère de la Justice en vue d'établir la justesse des avancés de la compagnie incriminée avant d'entamer des procédures devant les tribunaux. Cette correspondance avec le ministère de la Justice se poursuit encore.

Votre tout dévoué,

(Signé) F. C. T. O'HARA, *sous-ministre.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, le 9 mars 1922.

MONSIEUR,—Relativement à votre lettre du 23 novembre 1921 au sujet de l'article 95, alinéa 7, de la loi des grains du Canada qui statue quant à l'inventaire à faire au mois d'août de chaque année, la quantité de grain de toute catégorie dans les élévateurs de têtes de ligne et à la façon dont on doit disposer d'une certaine partie du surplus de grain, je serais heureux de savoir si le montant réclamé de l'élévateur Richardson en vertu de la loi a été perçu; sinon, est-ce l'intention du ministère de pousser l'encaissement de cette somme.

J'apprends que la Commission des grains a préparé un nouvel état de la somme due par chaque élévateur de têtes de ligne, état qui est basé sur l'interprétation que donne à la loi le ministère de la Justice. A-t-on pris des mesures en vue d'ajuster les réclamations faites en premier lieu conformément à cette modification des premiers chiffres soumis?

Votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre,
Ministère du Commerce.

MINISTÈRE DU COMMERCE, OTTAWA, le 5 mai 1922.

Le Roi vs la "Eastern Terminal Elevator Company, Ltd.

MONSIEUR,—Pour faire suite à votre lettre du 9 mars au sujet de l'élévateur Richardson, connu aussi sous le nom de la "Eastern Terminal Elevator Company", je vous fais part d'une lettre que m'adresse à ce sujet le ministère de la Justice.

> "Je reçois votre lettre du 3 mai au sujet de la réclamation de la Commission des Grains contre la "Eastern Terminal Elevator Company" pour excédent de grain provenant de la récolte dont la saison se termine le 30 août 1920. On a préparé un état par lequel on réclame de ladite compagnie la somme de $43,431.20, laquelle somme diffère de celle dont vous avez fait mention, parce que l'on a jugé à propos de réclamer la valeur du grain à dater du 4 décembre 1920, et non du 31 août 1920.
>
> J'espère pouvoir vous signifier sous peu cette réclamation à ladite compagnie."

Votre tout dévoué,

(Signé) F. C. T. O'HARA, *sous-ministre.*
